2. About MTDC

Vision

MTDC envisions becoming the most efficient Public Limited Company in the Maldives, by leveraging its core competencies and financial strength to achieve the expectations of shareholders and stakeholders to enhance the macro and micro economic potentials of the tourism industry.

Mission

MTDC's Mission is to source diverse investments and efficiently deploy its resources to ensure that the investment yields the highest returns which will maximize the wealth of its shareholders. Today MTDC is actively engaged in the tourism industry. It is engaged in developing resort islands and aspires to turn the green islands into green resorts that would invite foreigners to relax, enjoy and create lasting memories.

The core business of MTDC is coined in its mission statement without reference to any specific industry. Rather, it embraces and empowers MTDC to pursue the development of diverse investments.

Core Purpose

The Core Purpose of MTDC is to give every Maldivian the chance to invest in things that will be rewarding. Armed with this conviction every staff of MTDC come to work every morning, and engages in dialogue with other counterparts. It is this belief that sparks debates and contests, and at the end of the day every staff wins out with a smile of reassurance that the Core Purpose of why they come to work every day will never be compromised.

Core Values

The Core Values of MTDC which are vehemently held on by all staff and executives alike, which form the foundation on which the company conducts its business, are:-

- Protecting the interest of shareholders at all times
- Being open minded and transparent
- Challenging the status-quo
- Caring, respecting and recognizing individual ability
- · Being candid as a way of life

Business Principles and Strategies

- Create an above market average dividend yield for shareholders to allow them to access the direct benefit of tourism quickly.
- Ensure that dividend policy and plans are sustainable in the long term while allowing for gradual growth.
- Build the organization around principles of getting the benefits of centralized knowledge flow and the efficiencies of decentralized operations.
- Monitor the market forces effectively to grasp changes in the market beforehand to create competitive advantages.
- Strategize business and asset development to diversify the risks related to the business.
- Diversify into horizontal unrelated markets to shelter the Company from any potential disasters in the industry.
- Diversify horizontally and vertically into related industries to attain higher efficiencies and reduce the cost of operation of core business.
- Create and sustain a knowledge based workforce with an innovation inductive environment to attain higher efficiencies.
- Challenge the norms of the industry to attain higher benefit both economically and socially.
- Always strive to attain the highest ethical standards in governance of the Company.
